Carroll County RSVP's Non-Emergency Volunteer Transportation Program

Assisting ambulatory older adults, individuals with disabilities, and veterans when transportation difficulties present a barrier to accessing medical care both locally and long-distance. The Program provides transportation at "No Cost" to clients.

Carroll County RSVP's Meals on Wheels Delivery Program

The Program is committed to the delivery of nutritious meals, a quick safety check, and much needed human connection to homebound seniors in Carroll County that enables them to remain living in their own homes, where they want to be for as long as possible.
